Dr Manthan Prajapati, MD

International Medical Graduate (IMG) – Internal Medicine Applicant
Ahmedabad, India | Email: prajapatimanthan9@gmail.com | Phone: +91-8238483582| ECFMG Certified

Education

Doctor of Medicine (MD)
Penza State University Medical Institute, Penza, Russian Federation
September 2017 – July 2023

United States Medical Licensing Examination (USMLE)

- USMLE Step 1: PASS
- USMLE Step 2 CK: 239

ECFMG Certification : Certified (Year: 2025)

Licensure & Certification

- ECFMG Certified 2025
- Unrestricted Medical License, Gujarat Medical Council, India (2025)
- Advanced Cardiovascular Life Support (ACLS)
- Basic Life Support (BLS)
- EMT Foundation - Coursera Sep, 2022
- Imaging in medicine - The Open University Sep, 2022
- Management of Cardiopulmonary Emergency - GCS Medical College Hospital & Research Centre Jun, 2024
- Startup & Innovation in Healthcare- GCS Medical College Hospital & Research Centre Jun, 2024
- Tropical Dermatology: A SyndromeBased Approach - World Health Organization Sep, 2022

US Clinical Experience

Hands-On Extern – Internal Medicine
UChicago Medicine AdventHealth GlenOaks, Glendale Heights, IL (Aug 2025 – Sep 2025)

- Completed a hands-on Internal Medicine rotation (~50 hrs/week) under the supervision of Dr. Mohammed Shakaib, MD, at a UChicago-affiliated hospital with both inpatient and outpatient clinical exposure.
- During inpatient rounds, I synthesized laboratory results and consultant notes to contribute to daily management plans and identified a significant medication interaction using EPIC and Avalon EMR systems, which led to a timely adjustment in the patient's treatment plan.
- In the outpatient clinic, I conducted patient workups, documented findings, and presented cases with my proposed diagnostic and treatment plans to the attending.

- Gained proficiency managing complex comorbidity like cardio renal syndrome and diabetic nephropathy, including acute complications during renal dialysis.
- Counseled patients and families on disease management and medication adherence.

Hands-On Extern – Internal Medicine Primary Care
Rush University Medical Center Associates in Primary Care, Chicago, IL (Jul 2025 – Aug 2025)

- Engaged in a direct, hands-on outpatient clinical experience under the supervision of Dr. Cedric Coleman, MD, Associate Professor, serving as the initial point of contact for patients.
- Independently interacted with patients to take vital signs, perform focused physical examinations, and obtain comprehensive medical histories.
- Utilized the eClinic EMR system to review past medical history, labs, and medications, and to document patient encounters in progress notes.
- Presented patient cases to the attending physician, evaluated diagnostic possibilities and treatment plans, and sent prescriptions to the pharmacy via the EMR.
- Proposed a differential diagnosis for a patient with complex comorbidity that was later confirmed by the attending physician.

Hands-On Extern – Internal Medicine
Houston Methodist West Hospital, Houston, TX (Jun 2025 – Jul 2025)

- Engaged in a hands-on Internal Medicine rotation under the supervision of Dr. Imran Baig, MD, where I performed comprehensive histories, physical examinations, and case presentations in both inpatient and outpatient settings.
- Actively engaged in daily inpatient rounds with the attending physician and medical team, contributing to discussions on patient diagnosis, management plans, and treatment adjustments.
- Gained experience in the outpatient clinic setting by performing patient examinations, recording vitals, and explaining conditions and treatment strategies to patients.
- Became familiar with the workflow of the US healthcare system, the role of different team members, and the standards of patient care at a major academic-affiliated hospital.

Clinical Experience – India

Rotating Medical Intern
GMERS Medical College & Hospital, Gandhinagar, India (Sep 2024 – May 2025)

- Completed a 9-month rotational internship in a high-volume public hospital, with a core 3-month rotation in Internal Medicine and additional exposure across 14 specialties, including Surgery, Pediatrics, Psychiatry, OB/GYN, and Emergency Medicine.

- Managed a consistently high patient volume across outpatient, ward, and ICU settings, gaining broad experience with diverse diseases and clinical presentations.
- Performed patient histories, physical exams, and procedures such as catheterization, venipuncture.
- Managed daily care of ~40 inpatients by recording vitals, presenting each case to consultants, and updating progress notes.
- Stabilized ER patients, applied ABCD emergency protocols, and assisted with endotracheal tube placement.

Medical Officer
Rhythm Hospital, Ahmedabad, India (Aug 2023 – Apr 2024)

- Managed comprehensive medical care for a diverse patient population as a primary treating physician in a private hospital.
- Assumed primary responsibility for patient care, from initial diagnosis and workup to developing and executing evidence-based treatment plans.
- Administered medications, performed minor procedures (e.g., wound care, IV line insertion), and managed acute medical emergencies with rapid intervention.
- Coordinated interdisciplinary care, liaising with specialists, nurses, and allied health professionals to optimize patient outcomes.
- Communicated complex medical information to patients and families, providing education and support during critical illness.

Medical Consultant – Medical Documentation Analyst

MDIndia Healthcare Services (TPA) Pvt.Ltd., Gandhinagar, India 01/2025 - 05/2025

- Developed advanced skills in critical analysis and systems-based practice as a medical analyst for India's national health insurance scheme (Ayushman Bharat PM-JAY).
- Applied principles of evidence-based medicine by critically evaluating 70-100 patient cases daily.
- Meticulously verified diagnostic reports, patient histories, and all given treatments to ensure clinical documentation aligned with national protocols.
- Strengthened my clinical reasoning by collaborating with a team of physicians to analyze complex cases and determine the medical necessity and appropriateness of care provided.
- Gained direct insight into systems-based practice, including healthcare finance, resource stewardship, and the impact of policy on patient care delivery.

Health Camp Coordinator & Mentor

Family Adoption Program, GMERS Medical College , 06/2024 - 09/2024

- As Coordinator, orchestrated all logistics for monthly rural health camps, including procurement of medications and setup of medical equipment.
- Provided direct primary care to 150-200 patients per camp, performing clinical evaluations, prescribing treatments, and coordinating referrals.
- Spearheaded public health initiatives, distributing essential supplements and hygiene supplies to over 500 women and children per camp.
- As Mentor, trained a team of junior students on empathetic patient communication and clinical skills for low-resource settings.
- Led the team in home-to-home outreach, building community trust and encouraging participation in preventative health screenings.

Community Health Intern

GMERS Medical College & Hospital, Gandhinagar, India 05/2024 - 08/2024

- Completed a 3-month rural and suburban community posting during internship, traveling across 7 villages.
- Conducted daily OPD clinics, managing acute and chronic illnesses; highest single-day census reached 182 patients.
- Stabilized emergencies and coordinated transport to tertiary hospitals when higher care was needed.
- Treated patients with limited resources and provided home visits for those unable to walk.
- Administered vaccines and vitamin injections, provided prenatal care, and performed basic fetal monitoring.
- Delivered education on hygiene, vaccination, and chronic disease management, improving health awareness in underserved populations.
- Gained deep insight into rural healthcare delivery and the importance of preventive medicine.

Oral presentation. Presented at the Annual Physiology Conference;12/28/2024. GMERS Medical College,Gandhinagar, Gujarat, India.

Leadership & Teaching

Student Leader (Academic & Cultural Affairs)

Penza State University- Student Leadership 09/2019 - 07/2023

- Led university’s largest cultural festivals (Diwali, Navratri, Holi) attended by 600+ students and faculty from diverse backgrounds.

- Managed full event logistics, including budgeting, speeches, hospitality, and acting in cultural dramas.
- Organized a university-wide cricket tournament with 12 teams of both boys and girls, ensuring fair and fun for everyone.
- Planned class trips for 100+ students, coordinating travel, hotels, and safety for stress-free experiences.
- I organized all our social events, from indoor parties to beach gatherings. I handled the venue, the sound system, and acted as the DJ.
- Focused on creating a supportive, welcoming community to ease medical school stress.

Academic Group Leader & USMLE Peer Mentor

Penza State University 12/2020 - Present (07/2023)

- As one of the first students from the Indian community at my university to clear the USMLE exams, I took on a leadership role, voluntarily mentoring over 40 junior and senior colleagues preparing for their board exams.
- Elected academic group leader for 4 years, I managed all class logistics, from coordinating schedules and group projects to acting as the primary liaison with faculty to resolve academic issues.
- Developed and delivered focused teaching sessions on high yield topics, simplifying complex concepts to improve understanding and retention.
- Offered one-on-one support and encouragement, helping students navigate the academic and psychological pressures of board preparation.

Honors & Awards

- Academic Distinction in Pharmacology (Feb, 2021)
- Academic Distinction in Physiology (Jun, 2018)
- Employee of the Month, MDIndia Pvt Ltd (Mar, 2025)
- Man of the Match' Award, University Cricket Championship (May, 2023)
- Chevalier Group of Medical Science Merit Scholarship (Apr, 2022)
- First Place, Annual University ECG Interpretation Competition (Apr, 2021)
- Letter of Appreciation, Western India's Society of Russian Medics (Apr, 2024)
- Society Pride Honor (Dec, 2023)

Professional Memberships

American Collage of Physicians (ACP)
